Public Participation Policy

Policy #:	109-18
Section:	Administration
Page	1 of 4

Purpose: Public input is essential to the municipal decision making process. Council believes it is advantageous to identify the levels and process of communication and citizen engagement prior to making certain levels of decisions. Additionally, it is incumbent upon the public to participate and to share ideas, concerns, requests or needs to Council.

Municipal Reference: Public Participation Policy Regulation 193/2017

Legal Reference: Municipal Government Act Section 216.1

a) Goals

Communication and public engagement endeavors to:

1. Foster enriched relationships with and greater satisfaction for citizens;
2. Provide residents an opportunity to broaden involvement and contributions to decisions that may impact their community;
3. Nurture enriched, citizen-involved solutions and participative, meaningful decision making;
4. Meet or exceed the requirements of the Municipal Government Act;
5. Reduce complaints and concerns that may arise late in the process of decisions.

b) Procedures

Public involvement is happening continually and it is about dialogue with the appropriate people in the appropriate way at the appropriate time.

1. Council will communicate and involve citizens wherever possible and will allow for input throughout the decision making process appropriate to events identified in this policy;
2. The event will determine the type and level of engagement. The events are listed in Schedule "A";
3. If two types of engagement are identified in Schedule "A" for an event, Council will determine the type required;
4. Council can select the process of engagement as are listed in Schedule "B";
5. Council shall communicate to the public after an event decision has been made via a method appropriate to the characteristics and process indicated in Schedule "B";
6. This policy will be reviewed within 4 years of adoption or amendment.
