THREE CITIES 4-H MULTI CLUB NEWS

The Three Cities 4-H Multi Club has come into the year with almost double the members it had last year. There are 5 projects: Light Horse, Canine, Outdoor, Lego and a new project added this year, Beef. February was a very busy month for the 4-H members. On the 10th of February, the Three Cities 4-H Multi Club had their communications night at the Church of God in Paradise Valley. It was a very successful night and we listened to topics all the way from siblings to the Aztecs. Great job to the following winners! Juniors: First - Brant Laycock, Second - Holly Wright, Honourable Mention - Kylie Davidson. Intermediate: First - Jenna Teasdale, Second - Dori Sunderland. Senior: First - Paige Laycock, Second - Autumn Anderson. Junior Presentation: First - Toren Stockman, Second - Colby Svean. Intermediate Presentation: First - Brie Leer, Second - Gerrid Bodnar. Congratulations to Toren Stockman, who placed 1st in districts in Vermilion and moved on to regionals in Ryley, Alberta! This year was a very successful year for our 4-H speakers and thanks to all those people who came out and supported the members.

On February 16th the Outdoor project hosted the Family Fishing day for 4-H. The outdoor worked hard to set up the fishing holes and although the weather wasn't the best, there was a great turnout! Unfortunately there were no fish caught, but the members had a lot of fun! They finished off the day with a supper cooked over the fire! Yum!

As the weather gets warmer, the projects will get busier, preparing for achievement day and 4-H expo. Submitted by Jenna Teasdale, Club Reporter
