Notice of Construction

Attention: Residents and Businesses of the Summer Villages of Pigeon Lake

South Side Pigeon Lake Wastewater Collection System

This letter is to notify you that PME Inc. has been contracted by the County of Wetaskiwin to install a low pressure sanitary main along Range Road 11 and in the Village at Pigeon Lake. Construction for this work is anticipated to take place from Dec 8th until Mid-January.

Your sanitary services will not be affected during the work. During construction there will be minor lane closures where workers are present. We ask that you please obey signage and speed limits for your own safety and our workers. We will do our best minimize the impact of access in and out of your property.

We will strive to complete these upgrades with the least amount of inconvenience to you. If you have any questions or concerns please contact Kyle Francom at 780.289.9459

Thank you for your cooperation with this matter.

Sincerely,

PME Inc.
