The Walk Dead Volume 1: Days Gone Bye

Publisher House: Image Comics

Author: Robert Kirkman

Publish Date: February 19, 2013

The world we knew is gone. The world of commerce and frivolous necessity has been replaced by a world of survival and responsibility. An epidemic of apocalyptic proportions has swept the globe, causing the dead to rise and feed on the living. In a matter of months, society has crumbled: no government, no grocery stores, no mail delivery, no cable TV. In a world ruled by the dead, the survivors are forced to finally start living.
