

COUNTY OF ST. PAUL NO. 19
WEED AND BRUSH CONTROL AGREEMENT
for the Summer of 2018

Agreement

1. I acknowledge my duty to maintain the portion of the roadside right-of-way that lies between the boundary of my property and the center line of the road, free from all encroaching brush, noxious and prohibited noxious weeds.
2. I understand that if and encroaching brush, noxious or prohibited noxious weeds persist within the County of St. Paul No. 19 right-of-way and are determined by the Agricultural Fieldman or his designate to be unacceptable, then the owner/occupant of the adjacent "Weed and Brush Control" area ***will have until the 1st of July to control the right-of-way or the County will assume nothing will be done and will control the right-of-way. It will be up the landowner to contact the County to arrange for other means. Failing which, the County of St. Paul No. 19 may take whatever steps it deems appropriate to control those weeds, which may include herbicide application.***
3. I understand that the County of St. Paul No. 19 right-of-ways shall not be used as a non-pesticide buffer zone.
4. Yards and environmentally sensitive areas will not be sprayed. Spraying will follow the Environmental code of practices for pesticides.
5. "No-Spray" signs must be posted on all of corners of the property on or before May 31st by the owner or occupant to ensure the property is not sprayed. These signs can be picked up at the County of St. Paul Public Works Shop from the ASB Office. If no signs are posted, the land may be sprayed.
6. This Agreement must be signed every year on or before May 31st to ensure no spraying is done on the right-of-way by the property.
7. Please outline how you plan to control the weeds and brush along the right-of-way by your property.
