

Using OverDrive on Your iPad

Step 1: Go to the App Store on your iPad and search for OverDrive Media Console.

Step 2: Once you tap search, the app will come up in the field below. Tap the “FREE” button beside OverDrive Media Console.

Step 3: Once you have tapped “FREE”, an Install App button will appear. After you tap Install App, you will be asked to enter your Apple ID information. Once entered, the App will install itself.

Step 4: Tap the OverDrive icon.

Step 5: Tap the **Home Menu** button at the top left of the screen, or swipe the screen right to bring up the menu.

Step 6: From here, you will need to tap “Add a library”. Search for your library, and then add it to the list. Since your library is more than likely part of TRAC, the app will bring up a TRAC option after you select your library. Tap the TRAC button, and you will be taken to the TRAC website.

Step 7: After being brought to the TRAC website, you will need to sign in. Enter your username and PIN number, then tap Sign In.
