Town of Hardisty's New CAO

I am very pleased to join the Town of Hardisty as CAO. I have spent the last 6 years working in the private sector, and taking courses in Municipal Administration. I will be graduating next spring with a CMMA from the University of Manitoba.

My wife Andy has been a Daycare Supervisor for the last few years, and currently has her Early Childhood Educator Level 2 certificate.

Our eldest daughter (Charlee) will be heading to Edmonton to begin to pursue her education in Psychology and eventually Speech Therapy. Our second (Ashley) and our son (William) will both be attending Central High Sedgewick Public School in the fall, with Ashley in Grade 11 and William in Grade 5.

Having spent the last 6 years in Winnipeg, MB, I am very happy to be back in rural Alberta, and I am looking forward to serving the citizens of Hardisty and do my part to make Hardisty the best Town we can be. If you have any questions, concerns, ideas or solutions on issues facing the town, please feel free to come by the town office anytime or call us. The more input we get from the citizens, the more effective we can be in our service to the Town. My thanks to everyone so far in welcoming me to Hardisty, and I look forward to meeting everyone I haven't met soon. I hope to see everyone on June 19 at the Town of Hardisty Open House and BBQ.
