

# Tanker 1

Tanker 1 is a 2009 Freightliner M2 Tandem with 425 HP Mercedes. This tanker has a 2 man cab. It has a 3000 Imp.Gal tank – Darley 500 IGPM Pump. This truck has 2 separate speed lays that can be accessed from both sides of the truck that allow it to also engage in fire suppression should the need arise. To operate this truck you must have a Class 3 license with Q (Air Brakes).
