

## 11-19 Public Participation

### Policy Statement

In accordance with Section 216.1 of the *Municipal Government Act*, this Public Participation Policy has been developed to recognize the value of public participation and create opportunities for meaningful public participation in decisions that directly impact the public.

This Public Participation Policy is in addition to and does not modify or replace the statutory public hearing requirements in the *Municipal Government Act*.

### GENERAL POLICY PRINCIPLES

Council recognizes that good governance includes engaging municipal stakeholders in Public Participation by:

- Creating opportunities for municipal stakeholders who are affected by a decision to influence the decision.
- Promoting sustainable decisions by recognizing various Municipal Stakeholder interests.
- Providing municipal stakeholders with the appropriate information and tools to engage in meaningful participation.
- Recognizing that although Councillors are elected to consider and promote the welfare and interest of the Municipality as a whole and are generally required to vote on matters brought before Council, facilitating Public Participation for matters beyond those where public input is statutorily required can enrich the decision-making process.
