HIGHWAY 29 & 881 AREA STRUCTURE PLAN

WSP Canada has been retained by the Town of St. Paul to prepare an Area Structure Plan for the currently undeveloped quarter section on the east side of town. The quarter section is bounded by Highway 29 to the south and Highway 881 to the west. The plan area is intended to be developed as predominantly industrial uses with some highway commercial.

Please join us for an upcoming open house to review the draft concept plan and provide feedback on this important development.
