Re: Bylaw #298 concerning lawn fertilizers and herbicides

Please be advised that the Summer Village of Grandview has passed Bylaw #298 which prohibits the application of lawn fertilizers (other than natural compost) and lawn herbicides within the municipal boundaries of the Summer Village, subject to penalties of up to \$500.

This bylaw was passed as part of our commitment to protect our lake and our environment.

We would request that you abide by the conditions of this bylaw. If further information is required, please contact the Summer Village office.
