**Roadside Seeding**

Policy No.: 6051  
Department: ASB  
Authority: All Departments  
Current Approved Date:

---

**Policy Statement:**

The County will seed areas of Municipal construction or projects.

**Purpose:** To establish a forage cover to help prevent erosion, provide competition for weed control, and facilitate reclamation.

**Policy Resolution:** 89-41, 95-335, 02-300, ASB05-28, ASB17-053

**Procedures Associated With This Policy:**

- 1) When construction is completed, Public Works will notify the Agricultural Fieldman of area that require reseeding.
- 2) Certified seed will be used which is suitable to soil type and organized by the Agricultural Fieldman. A Certificate of Seed Analysis must be issued when seed is purchased from a reputable dealer
- 3) Landowners will be contacted by the Agricultural Fieldman's Office before seeding takes place on private land
- 4) Right of way area will include the road allowance up to the property line.
