## NOTICE TO BOAT HOIST AND PIER OWNERS

### **Placing of Boat Hoists and Piers in the Water**

The Summer Village of Crystal Springs is maintaining a pier and hoist log for all equipment placed in the water off shore from a municipal park, reserve, or road allowance.

If you are placing your equipment in the water from one of these areas you are required to provide the Summer Village Office with the following information:

- Name
- Local Address
- Phone Number
- Contact Address
- E-mail address
- Location of installation, and
- Other related information i.e. if the pier is shared.

Please note that if other piers and hoists are in the same area, it is your responsibility to share the space in a safe and harmonious manner with other users.

### **Storage of Boat Hoists and Piers in the Off Season**

The Summer Village allows the storage of piers and hoists on municipal parks, reserves, and road allowances between September 15<sup>th</sup> and June 15<sup>th</sup> each year.

The Summer Village requires that the equipment be marked in a manner that will allow identification of the owner.

All equipment must be placed in an unobtrusive and respectful manner that does not hinder the access and enjoyment of the area for other users or cause damage to the trees, pathways, or natural environment.
