

Fall Fundraiser 2015

Mixing Spoons

Once again it's that time of year, it's time to FUNDRAISE. It's truly important to raise funds for our Gymnastics Club so we can buy new equipment and save money to put towards a permanent gym. With that said we are trying something new once again, called Mixing Spoons. We will be able to offer our friends and family jars of dry ingredients for cookies, soups and more. We believe that this be an excellent outcome for our club as we get 40% back.

Included in your package is the order sheet along with a nutritional label of every product. Feel free to make an extra copy of the order sheet if you think you'll need more than one. I will also have some available in the lobby of the gym.

The requirement for this fundraiser is minimum \$100 per gymnast or minimum \$200 if you have 2 or more children enrolled. All orders are asked to be handed back on OCTOBER 14th. I will be in the lobby of the gym collecting orders that day from 5.30pm-7.30pm. Your orders will be in at the beginning of November, well before Christmas if you plan on getting some shopping done. Keep an eye out for an email or on the whiteboard for a pick up date.

Bottle Drive

We are also having a bottle drive on September 22nd and 23rd. We ask that you drop off your bottles in the trailer in the Lakeland Signs parking lot across from our gym. Tell your family and friends to drop off their bottles also.

If you have any questions please contact me at denisejean6@yahoo.com and I will gladly help you out. Happy selling!

Thank you for all that you do for our club ☺
