

Bibliographic Services Department Report

Wednesday 14th October 2015

Acquisitions

Book Display: Great selection of books on display that includes Smart Apple, Copper Beech, Knowbuddy and Livre Adanac. See Diane if interested in ordering from any of these vendors.

Winter Hotlist: Will be available in the next couple of weeks, we will send it out on van run when it arrives.

Seasonal Items: Yes, it's that time again!! Think about ordering items ASAP for Christmas so as not to be disappointed. Cut off dates for Christmas orders are mid-November.

December Roll over. The date for Rollover is set tentatively for December 11th. Please think about what you want/need before this date as it may have been ordered but we cannot receive the items if it arrives after that date.

Cataloguing

We are currently working on items received October 2nd Approximately two week turnaround time for all cataloguing items.

What to look out for!

The ULS take-away is back in Edmonton. October 21st-22nd are the dates to put in your calendar if you are going to attend. There is no need to book for this event, it is a drop in only held at the Sands Hotel.
