Communities in Bloom News

Plans are underway for 2009 projects, and work bees. We hope to “clean up” some tangled areas in town along Highway 855 and at Ukraina Park; as well we will be receiving close to 300 trees that will need planting. We are always looking for community support, so watch the newsletter for dates and times, join us for a work bee and we’ll have a community party!

Thank you again to everyone that helped make our Christmas Bake Sale a huge success. We are planning to put the money toward park furniture.

Anyone with trees that you would like moved and donated to another area in town, please leave the information at the town office, and we will see what we can do. There are many areas in town that we need to spruce up. Next meeting is planned for April 27th at 7 pm. Hope to see you there.
