GRAND OPENING OF WHITETAIL CROSSING PLAYGROUND

Council/ Parks Committee and Children taking part in the ribbon cutting

The Grand Opening Ceremony of Whitetail Crossing playground could not have been met with better weather.

On Friday August 19, Mayor Charlie Gargus along with councillors Jaime Burghardt, Frank Rosypal, , and Irene Talaga enthusiastically greeted volunteers, donators, neighbors, and children welcoming them all to this event, and thanking them for all their hard work in fundraising and helping install the engineered wood fiber fill into the play-

grounds.

Special Thank you

Parks Committee for all your hard work on the new playground built in Whitetail Crossing as well as a Toddler Park at the Quentin Warawa Memorial Park.

We would also like to thank everyone who donated for the engineered wood fiber fill: Burghardt Site Inspections, Scott/Leanne Morrison, Kowal Endeavors, James Kowal, Trilogy Mortgage Corporation, Lisa Couchman, Robert Eitenier, Margaret & Ken Donaldson, Daun & Donald Miller and Annie & Lawrence Toma.

Your hard work is not going unnoticed to the people who helped install the fill at the playgrounds: Amanda

Austin, Ron Bilyk, Danika Brison, Dale, Jaime, Jayda ,and Miya Burghardt, Ken & Marg Donaldson, Brandon, Jason & Shannon Kowal, Trish Ming-Brison, Alexandra & Jordan Morse, Abrey Neilson, and Colin Zyla.

MUNDARE AGRIDAYS

What a great time this was! Thank-you to all who came out, participated, and volunteered their time to make this a huge success.

Friday night festivities included the start to the ball tournament with contests for the players. At nine o'clock the Corner Pub hosted their annual beach bash that carried through the night till two am.

Saturday began with a sell out pancake breakfast at the fire hall beginning at seven thirty am and ended at nine thirty with very full bellies.

The annual town parade followed at 10:30 pm with twenty eight entered floats that lasted a little over half an hour. Parade participants proceeded back to the MRC for a parade participant luncheon. Outside the MRC the Ag society had

three fun bouncy houses for the kids to play on as well as cooling off in the spray park. It was so nice to have an ice cream vender come and set up out side for everyone to have a nice cool treat. Inside the MRC the entries from the bench show were on exhibit. Thank You to the Ag society for another great weekend.

SCHOOL NEWS

Welcome to the 2016/17 school year. We are excited to begin our year of learning and achievement with the students of Mundare and surrounding area. Once again our school goals will be focused primarily on literacy and numeracy which are a priority at the division level. We will also be working closely with the community and parents/guardians to ensure that people continue to feel engaged and involved in some of the decision making at the school. First Nations Metis Inuit education will also be a priority in response to the Truth and Reconciliation Commission of Canada: Calls to Action. This priority of bridging the gap between FNMI students and all other students is Priority 1: Goal 2 of the

Three Year Education Plan of Elk Island Public Schools. We look forward to working with our shareholders to continuously improve the results and the academic achievement of all the students at the school. Staff have been in the school planning and preparing for the arrival of students on **Tuesday, August 30th**. Please check our website at www.mundareschool.ca for a current calendar of events and an itemized list of school sup-

plies.

Please note **new bell schedule** which begins our day at **9:20 am** with dismissal time of **3:35 pm**. If you arrive earlier

than 9:10 please wait in the foyers of the school. Thank you most respectfully.

Meet the Teacher Night Teachers will visit with parents/guardians informally in their classroom from 4:30-6:00pm and the first SAC meeting starts at 6:30 pm on Monday, **September 19th**. A special welcome is extended to Ms. Rodgers in grade 5 and Ms. Yule the new music teacher. Mrs. Bartsch will also be returning as a full-time educational assistant.

Mundare School has openings for new registrations in all grades. Please stop by the office to register your child if you are in the Mundare Attendance Boundary. I specifically want to mention our PALS program which is **Play And Learn at School**. PALS programming supports children with assessed severe developmental delays from 3 to 5 years of age and children with assessed mild and or moderate developmental delays from 3 ½ years to 5 years of age.

Typically our classes have between eight and ten children. PALS programs provide a *natural* preschool environment with the additional supports needed to ensure learning suc-

cess

If you know of a child who may qualify for early intervention prior to starting kindergarten please call our district office at (780)464-3477 to ask for more information.

We are happy to report that the school's deficiencies and warranty list is almost complete. EIPS continues to work with contractors to finish up any remaining items in preparation for the first day of school and the last inspection. The landscaping and paving that was done over the summer is a very welcome addition.

On behalf of the staff at Mundare School, we are excited to work with you this fall and feel free to volunteer or just drop by and visit our beautiful school.

Sincerely,
Liane Schultz

MAYOR'S CORNER

September is Prostate Cancer awareness month and this is also a good time to remember all the great events that happened in Mundare this past summer. The RIDE FOR DAD in June is directly related. The superb effort by this organization certainly makes us aware that this

is a serious issue - especially when 800+ motorcycle riders collect donations and ride in stormy weather to stop here in Mundare. Community businesses like SMP are deeply committed to this project because many have ignored symptoms and went for help too late. Friends that

are alive today were more aware and received life-saving treatment. I can officially proclaim that September is PROSTATE CANCER AWARENESS MONTH in Mundare, even if we do a very big effort in June, as this is a year round issue.
Mayor Charlie Gargus
