

Summer Village of Grandview

Equipment Storage Agreement

(Applicant's Lot Number)

As per Bylaw 332, a permit is required for the storage of boat lifts and docks on municipal property.

I, the undersigned, request permission to store the following item(s) on Municipal Property in the Summer Village of Grandview.

Item(s): _____

Storage Location (Check one):

Hamblin Park

_____ Street or Reserve

Conditions:

- Boat lifts, docks, and associated equipment may be stored in designated areas only. Boat and trailer storage is prohibited on municipal property at any time.
- Storage must be done on grassed areas in such a manner as public access to the lake is not blocked or impaired. The Summer Village may designate areas of Hamblin Park as storage areas.
- Vegetation including brush or trees must not be damaged to clear areas for such storage.
- All stored equipment must be clearly marked with the owner's Grandview lot number for identification and registered, with the owner's contact information, at the Village Office. Any unmarked or unverifiable equipment may be deemed abandoned and subsequently removed.
- Storage is permitted during the off-season only. All stored material must be removed from June 1 to September 1 of each year.
- Owners of equipment stored on Municipal Property shall be responsible for safely locating the equipment and maintaining it in good condition without risk to the public or the environment. The Summer Village of Grandview assumes no liability for this equipment or its use by the Owner or the Public. The Owners of such equipment shall be liable for any and all damages caused by the storage of such property.
- Storage privileges are subject to availability of space. This agreement can be rescinded at any time by the Summer Village of Grandview in its sole discretion.
- Dock sections must be stacked, preferably on boat lifts, to minimize occupied space. Connected dock sections are prohibited.
- Special conditions: _____

I agree to the conditions listed above and acknowledge that that, under the terms of the Municipal Properties Bylaw, failure to comply with these conditions can result in a fine and removal of property.
