**Re: Petition to Repeal #2016-02 Wastewater Bylaw**

Dear Mayor and Council,

As per MGA Section 226(1), I have examined for sufficiency the petition that was received for information by Council at the August 17, 2016 regular meeting to repeal the #2016-02 Wastewater Bylaw. My declaration to Council is that this petition is insufficient for the following reasons:

1. The petition does not meet the sufficiency requirement as stated in MGA 233(2):

(2) A petition under section 232 requesting an amendment or repeal of a bylaw or resolution is not sufficient unless it is filed with the chief administrative officer within 60 days after the day on which that bylaw or resolution was passed.

Council passed the #2016-02 Wastewater Bylaw on March 17, 2016 and the petition was filed on August 17, 2016, which is more than 60 days past the requirement in MGA 233(2).

2. The petition does not meet the sufficiency requirement as stated in MGA 224(3)(b):

(3) Each signature must be witnessed by an adult person who must

(a) sign opposite the signature of the petitioner, and

(b) take an affidavit that to the best of the person's knowledge the signatures witnessed are those of persons entitled to sign the petition.

There were no sworn affidavits accompanying the petition to confirm the signatures witnessed are those of persons entitled to sign the petition.

Please contact me if you have any questions.

Sincerely,

Harold Wynne  
Chief Administrative Officer
