

Grow on experience.

AdvancingAg will pair agri-professionals and producers with industry leaders to share their knowledge and facilitate key potential learning and training opportunities.

The **AdvancingAg** program aims to foster and support the new era of future agricultural leaders with the objectives to:

- Advance the skills of the graduates of the 10 – 12 month program as they continue in their careers and shape the cropping sector as agriculture professionals.
- Facilitate an enriching experience for all participants – mentors and mentees alike.
- Provide industry-specific training, networking and learning opportunities.

Program Details:

- Target group for mentees are future agriculture leaders involved in and passionate about the Alberta cropping sector, aged 18 – 35.
- Mentors are accomplished and passionate role models in the cropping sector with an eagerness to share their experiences and contribute to the professional growth of a mentee.
- The structure of the program is flexible and tailored to the goals and aspirations of the mentee.

AdvancingAg is now accepting applications for mentees!
