Hospital Auxiliary News

Once again we would like to thank everyone for their great support. Our Strawberry Tea was well attended breaking records once again. Thanks to all our volunteers! We received a lot of compliments on our decorating that Beatrice Moroziuk did. The apron that Kim from U-Do-It Crafts made was a big hit. Of course the lunch all the ladies prepared was delicious.

Our meetings have resumed once again and are held in the hospital board room. We recruited six new board members in 2009 to date are still hoping we can get more. We never seem to have enough. Please contact Wanda Ryan at 764-2491 if you would to join. Men can join too. Thanks once again and we look forward to your continued support—Lil Broda.

Library News

As librarian for our local library and on behalf of the hard working library board, I would like to thank all those who supported the silent auction and book sale we held at the Agri-Daze celebration.

We value your support and need it for our continued success. It is our hope that your enthusiasm for our local library will allow us to adapt to the changing needs of our growing community and evolve our services, programs and collections to be more responsive to the requirements of the district. We also hope to broaden the capacity of the facilities and extend our reach through increased access.

Again, we do appreciate your continued support and commitment to our growth.
