

NOTICE OF CONSTRUCTION

Please be advised that Streamline Services will be in the area installing a new sanitary line along the highway right away of Highway 13 and Highway 13A, as part of the South Side Pigeon Lake Wastewater Collection System. This construction is scheduled to commence approximately April 24, 2017.

The proposed sanitary line will cross Highway 13A and enter to south side of 11 Street and will follow the ditch line approximately 100 meters from the edge of the highway.

The hours of construction are Monday to Sunday 7:00 am to 5:00 pm. We anticipate two to three days of work in the area and hope that we will not inconvenience residents in any way. Should you have any concerns please feel free to contact Ken DeGrande at (780) 203-3212.

Thank you for your patience.
