# NOTICE OF CONSTRUCTION

April 19, 2017

Re: Summer Village of Norris Beach  
South Side Pigeon Lake Wastewater Collection System – Contract 1B

Dear Resident,

Starting April 24<sup>th</sup> of 2017, the sanitary sewer mains within the summer village of Norris Beach will commence construction as part of the South Side Pigeon Lake Wastewater Collection System. The work will include the installation of 2125 m of 75 mm, 100 mm, and 150 mm sanitary sewer main HDPE piping by directional drilling, with 114 service connections.

- Hours of work will be limited to the Village by-laws, which are Monday to Saturday 7:00 am to 9:00 pm and Sunday 9:00 am to 6:00 pm.
- We anticipate small delays to local traffic when setting up drilling equipment and we will adhere to all traffic control plans set in place. Please use extra caution when driving in the area.
- Pedestrian access to the proposed sanitary main route will be temporarily closed during some aspects of the construction, there will be barriers and signs installed during this time.
- There will be open excavations at times and we will install barriers and signs where required, extra caution will have to be exercised in these areas.
- Access to residents will be provided at all times.
- Work is expected to be completed July 15<sup>th</sup>, 2017.

For general inquiries, please feel free to contact the undersigned at (780) 778-2385 or by email at [info@kanaoilfield.com](mailto:info@kanaoilfield.com). For immediate construction concerns or issues, contact our onsite supervisor John Owens at (780) 312-8878.

Sincerely,  
Kana Oilfield Services Ltd.

John Winder  
Project Manager
