## Have you heard of the Home Visitation Program?

Home visitation provides opportunities to share resources and watch families develop through various connections that are made within the community.

Home visitation provides a steady anchor for families finding it difficult to stay centered in the responsibility of raising a family. The best part is, **we come to you and meet your family where you are at.** For more information call F.C.S.S. Lamont County Region at 780-895-2233 or toll-free at 1-877-895-2233.
