

Directors Report for November 2016

Update Info

Our Puppetry Workshop had participants from libraries in Hinton, Lac La Biche, Bonnyville, Cold Lake, and Vegreville as well as teachers and support staff from Sturgeon School Division.

Received an email from the Centre for Family Literacy confirming that the COW program is no more.

Linda and I both attended the NLLS Conference in September. There were some very good sessions and networking opportunities. Info from some of the sessions is on the NLLS website.

I attended the Library Managers meeting/Aboriginal Learning Day at Blue Quills University. It was a very educational and emotional day, I would encourage anyone who ever had an opportunity to attend.

Planned library programs for January-June 2017 and submitted them to Community Services for inclusion in any applicable publications.

Proctored several exams

Programs in October

1. Lodge visits on the 1st and 3rd Thursdays
2. Adult Coloring: 2 participants
