

WE NEED YOUR STORY!!!

The Edgerton & District Historical Society is planning their second history book, "Winds of Change II". Your participation is important to the success of this endeavour. Remember, this book will be read by your grandchildren and great grandchildren. This is your opportunity to tell them who you are & what you did!

We want to bring our History Book from 1974 up to the present, but if there are any stories or pictures that were not included in the first book, please submit these also. This book is a continuation of the first edition. For those who have histories in the original book, please continue where you left off.

WINDS OF CHANGE II – A History of Edgerton & District

The History Book will cover the businesses, agriculture, industries, churches, school activities, organizations, sporting events, & family histories up to the present.

To help you tell your story, we are including history story guidelines:

- Full name & maiden name, where born & raised
- Marriages, births, anniversaries
- Where your home was & exact land location
- Parents (names & occupation)
- Brothers & sisters, uncles & aunts
- Children, names, marriages, births
- Grandparents, names & occupations
- Interesting incidents, stories & events
- Deaths (age, where & when)
- Immigration to Canada (from where, when, reasons, & means of transportation)
- Names of your neighbours and/or hired help
- Community interests, sports, hobbies, awards & special achievements
- Agriculture, ranching, business, or government involvement
- Armed Forces service: past & present, when & where served
- Natural phenomenon: floods, fires, storms, etc.
- Include impact on family
- Special stories or memories: favourite memories or best stories about events, incidents or characters in your family, church, club, business or community
- Education, religion, occupation or trades
- Incidents or characters in your family, church, club, business or community
- Retirement activities

If you have information or photos of friends or neighbours you may have had in Edgerton or district who you know have no descendants to pass on their story, please include that as well. Please indicate who has written the story. The length of the story may vary, but we reserve the right to edit, but not change the stories.

PHOTOS, CLIPPINGS, AND DOCUMENTS

Pictures (2-4 per history) will add greatly to the History Book. All your valuable family photos, clippings, & documents will be treated with the utmost care and will be carefully identified and returned to you in their original condition after the book is printed. We ask that you supply original photos, as photocopies do not print well. Please identify everyone (top to bottom, left to right) & date the photos. Please attach this information on a separate sheet of paper. Be sure to include your full mailing address, phone number, & any other pertinent information.
