

# Important Survey for Pigeon Lake

People with land around Pigeon Lake care about the lake and having good water for the next generations. People have been making Clean Runoff changes.

Now it is time to pause and to learn how we are doing, and to collect suggestions for going forward.

**If you have land in the Pigeon Lake Watershed,  
PLEASE take 10 minutes to do this survey.**

**Go to [www.plwa.ca](http://www.plwa.ca) Home Page  
and click on the Clean Runoff Survey link.**

**Add your voice between now and November 5<sup>th</sup>.**

If you do not have a computer, please use one  
at the Ma-Me-O library.

We want to hear from you! Thanks!
