

LAMONT COUNTY

POLICY

- TITLE : ROADSIDE WEED CONTROL
- AUTHORITY : AGRICULTURAL SERVICE BOARD
- POLICY STATEMENT : LAMONT COUNTY WILL CONTROL WEEDS ALONG ROADSIDES AS DETERMINED BY THE ROADSIDE WEED CONTROL BYAW NO. 558/94 AND THE WEED CONTROL ACT.
- PURPOSE : TO HELP LANDOWNERS CONTROL NOXIOUS WEEDS ALONG ROADSIDES.
- POLICY RESOLUTION : 89-41, 94-40, 98-155, ASB05-32
- PROCEDURE :
1. All municipal roadside weed control will be organized and controlled by the Agricultural Fieldman's office.
 2. No spraying of weeds shall be done on private property, unless as part of the enforcement process of the Weed Control Act.
 3. The County may assume responsibility for designated weeds along roadside right-of-ways under the Roadside Weed Control Bylaw No. 558/94, to include:
 - a) All Prohibited Noxious weeds as designated by the Weed Control Act.
 - b) "Noxious Weeds" is defined as Scentless Chamomile, Toadflax, Tansy, Purple Loosestrife, Canada Thistle, Perennial Sow Thistle and White Cockle
 4. Landowners requesting that the County not spray the right-of-way adjacent to their property will refer to the "No Spray" Policy No. 6064. And to be responsible for weed control as per Bylaw 558-94 for that portion of the highway that lies between the boundary of his land and the centre line of the highway.
