Gossip Girl Collection

New Year, More Materials!

With the new year comes a new allotment for AVI to purchase new materials for our patrons.

Please let us know if there are some of interest to you and we can purchase them for the library, for you and others to borrow!

We purchase DVD's, music CD's, ebooks, video games, anything you could want.

Survey Time!

We've placed a survey on the library's website to receive feedback from our patrons. Please take a minute to answer the questions so we can serve you better!
