Dear Mayor Young,

Our government is committed to supporting municipalities in providing quality infrastructure and services to Albertans. As part of that commitment, I am pleased to confirm that \$800 million has been made available to Alberta's municipalities through a 2017-18 Supplementary Estimate.

Your additional 2017 Municipal Sustainability Initiative (MSI) Capital funding is \$222,882. March 2018 allocations for all municipalities are also posted on the Municipal Affairs MSI website at www.municipalaffairs.alberta.ca/msi. Details on the allocations, as well as the application process and payment requirements for these funds, are available on the MSI webpage in the *Addendum to 2017 MSI Capital Program Guidelines*. While this funding is intended to provide Alberta's municipalities with additional flexibility to plan for the future, it does not constitute an overall increase to anticipated MSI funding.

The government understands how important it is to ensure that municipalities are able to fund the infrastructure that Albertans use every day, now and into the future. I look forward to continuing our cooperative efforts to build strong and thriving communities for Albertans.

Sincerely,

Hon. Shaye Anderson
Minister of Municipal Affairs
