

Joint Economic
Development Initiative

A regional initiative sponsored by JEDI focusing on the growth of our industries and economic sustainability of our municipal partners

Funding for this initiative was provided in part by the Government of Alberta

JEDI REACH Program Information Seminars

The JEDI REACH Program will be of interest if you are starting or growing a successful small business

A unique new small business development program that is open to all residents within the boundaries of the JEDI region including the Town of Millet and County of Wetaskiwin. The JEDI REACH Program is designed to support the efforts of entrepreneurs starting a successful new business or grow an existing one. The JEDI REACH Program will provide entrepreneurs, over the 11 month term of the Program, with:

- One on one coaching,
- Training on various business topics,
- Access to specialized services,
- Networking opportunities with other entrepreneurs and business service providers,

all designed to assist participants start or grow successful businesses. While the focus of the JEDI is to support the expansion of industrial development and agricultural value added industries, the JEDI REACH Program is of value to all entrepreneurs considering starting or growing their existing enterprise. The Program will be offered at no cost to the participants.

All Program services will be provided "in-person" and in the JEDI Region
