Dear Residents

It has recently come to the attention of the Village of Warburg's Council and Administration that there have been some allegations of impropriety made against the Village's Administration and Council. The Village would like to advise its ratepayers that these allegations are completely false and are without merit.

The Village's Council and Administration is and has been transparent and accountable for its actions and decisions. We are committed to working for and being accountable to our community and the ratepayers. Should there be any questions or concerns surrounding council matters and the administration of the village, we invite ratepayers and members of the public to raise such questions or concerns with the Village's Administration and/or Council directly. Further, we welcome any of our ratepayers and members of the public to attend publicly accessible Council Meetings to learn more about the governance and administration of the Village. Council meetings are held monthly, on the second Monday of each month as well as the fourth Monday of the months of January, February, March and April for budgeting and October for the annual organizational meeting. Meetings are held in the Village Office Council Chambers. In addition two Public Meetings are held each year, one in the Spring, in April, and one in the Fall, in November. The Public Meetings are held at the Village Office basement Meeting Room. We also encourage the public to visit our website at <http://www.villageofwarburg.com> and follow us on Facebook to keep informed on the Village Council and its administration.

Sincerely
Mayor Ralph van Assen
