

Three Cities Public Library is excited to host its first Minecraft camps! This public library event is an opportunity for children to come together and play the very popular Minecraft game as a group. There will be ten laptops that will be linked together, so no need to own your own device. We will have different building projects to work on, as well as some free play as well. Space is limited, so get your registration form in as soon as possible. If you have any questions or concerns, feel free to call me at the school 780-745-2277, or you can email me at [librarian@paradisevalleylibrary.ab.ca](mailto:librarian@paradisevalleylibrary.ab.ca). There is no fee, but space is limited! Registration forms are required for a registration to be considered complete.
