# ADD TRACPAC TO YOUR DEVICE HOME SCREEN

# ADD TRACPAC TO YOUR DEVICE HOME SCREEN

APPLE

1. Go to [www.tracpac.ab.ca](http://www.tracpac.ab.ca) in your Safari browser.

2. Tap the Share button (the box with an arrow coming out of it).

3. Tap "Add to Home Screen." A window will appear with the name of the website, the web address and an icon.

4. Tap "Add" in the top-right corner of the window. You'll see the TRACpac icon among your apps.

ANDROID

1. Go to [www.tracpac.ab.ca](http://www.tracpac.ab.ca) in your Chrome browser.

2. Tap the Overflow button (three vertical dots) and select "Add to Home Screen."

3. The site will join the other apps on your home screen.

## VIRTUAL BARCODE

Store your library barcode so you do not have to take your card out at each visit.

Try the Stocard or Key Ring app and add your barcode.

USE A CARD  
STORING APP

TAKE A PICTURE

Make sure it is big, bright and in focus.

Save it in your phone's gallery for easy offline access.

Save your card number and PIN on your device so that it's ready to go when you open TRACpac.

Search Google for instructions on how to save passwords to your device.
