**DELEGATIONS:** none

**BUSINESS ARISING FROM PREVIOUS MEETING:**

**Missing Link - Agreement**

Will review the template from AUMA, compared to the currently drafted Missing Link Agreement. Look towards a unified approach with the other Summer Villages, signing the same drafted agreement.

Ask Missing Link for some degree of comfort in their ability to complete the project, including the financial capacity and references, as well as what happens if the project starts and they are unable to complete the project.

This topic was tabled until the next Regular Council Meeting.

**Miller – Status Updates**

**Wastewater Inspection Project:** The Mayor's Final Report on the project was shared with residents via email and on the website on February 1, 2018. We are down to 16 authorization forms that have not yet been submitted, plus 3 that homeowners have duplicate properties. With the duplicate properties, could have the residents confirm by phone or email and add the lot numbers to their authorization forms. Refunds and the letters to residents will be processed as soon as possible

**Ice/Water Rescue Program:** A request was made to the County of Wetaskiwin for a financial report for 2017 for the Ice/Water rescue program. The response was that the financial report was the last portion of the letter that was submitted. A further request has been sent for a breakdown of sources of income, total annual cost of the program, and some brief descriptions / categories of where the money is spent; if that information is available it will be brought forward to Council.

**Budget:** Will be reviewed at the next Regular Council meeting.

**Electronic Fund Transfers:** When the information is available, it will be brought forward to Council.

**Hall Revenue:** The revenue has been from Silver Beach's annual rental agreement. The financial software is in the process of being setup to more easily track the hall revenue and expenses, to track the full cost of operations. A rental package for potential renters is being created.

**Flag Pole**

Look up cost of flag, including purchase of a Canadian flag and an Alberta flag. This item was tabled until the next Regular Council Meeting.

**REPORTS / RESOLUTIONS / BYLAWS****C.A.O. Report**

Review with Baumann in the summer if the culvert needs to be fixed by #61/62 in Sundance; might need to adjust the angle of culvert.

Council agreed to accept this correspondence as information.

**Pigeon Lake Protective Services – 2017 Annual Statistical Summary**

Council agreed to accept this correspondence as information.

**Policy #4-2018 Public Participation Policy**

Graff – Russell		

And further that Richard Barham is hereby appointed as the clerk of the assessment review board;

And further that Ray Ralph is appointed as the chair for LARB’s and CARB’s.

*CARRIED*

**Alberta Recreational Lakes - Forum**

Councillor Waterhouse will attend the forum.

**COUNCIL COMMITTEE REPORTS:**

Mayor Pellatt suggested to have Cannabis Legalization as a topic during the Annual Information Meeting. Administration to review what resources are available to assist with this topic, and what new regulations may be required.

Councillor Waterhouse reported on the APLM meeting: The In-Lake Technical Committee has a 3-phase approach. Phase 1 to identify the problem is substantially complete. APLM has approved to move to Phase 2 to review selected options including costs and effects. The committee is arranging a meeting with the Ministry of Alberta Environment and Parks. Phase 3 will be public consultation and selection of an option for remedial work.

Questions were raised around whether fuelling stations on the lake would help reduce spills into the lake; it seemed like Pigeon Lake was too small to warrant this type of solution.

Dates to note:

Pigeon Lake 101 Training Session April 7, 2018

Leaders Session led by PLWA and APLM on April 28, 2018.

Councillor Miller had a Director's meeting for the Easement Holders Association to discuss some outstanding issues, including the form of Easement Agreement to use for those that did not have easement agreements.
