### Warburg Christmas Elves

The holiday season should be a time of joy and merriment, but for many it can be a financially and emotionally stressful time of year. Every year in the Leduc County region, Christmas Elves and Santa's Helper's programs work together to support families in need. Christmas Elves is based on the philosophy that through sharing our time and good fortune with others, a spirit of Christmas and community will be fostered throughout the region. In making this philosophy a reality, we are reaching out to you to share your good fortune with community members in need this holiday season.

In 2017, with the help of people like you, we were able to provide a total of 23 Christmas Hampers to individuals and families in need. Without your generous donations, these hampers would not have been possible.

Anything you are able to donate this holiday season, whether it be time, money, or items, will make a difference in the life of an individual or family struggling to make ends meet. We accept gift cards, cash, and cheques made out to *The Village of Warburg* (please include "Christmas Elves" in the memo line). Financial donations will be used to purchase toys, gifts, personal hygiene products, and food that will serve to help meet the basic necessities of members of our community in need, with the added benefit of providing holiday spirit, hope, and faith that there are those out there who truly care.

If you wish to donate food or gifts I invite you to contact me to discuss how you can make an impact in our community this season.
