THE AURORA

Wainwright Public Library's 1st Santa Claus Parade

Wainwright Public Library participated in Wainwright's first Santa Claus Parade held on November 22, 2018 as a kick off to the Christmas season. The parade was an addition to the annual *Light Up Night*. *Light Up Night* is where all businesses turn on all the Christmas lights in the business area downtown. It was a very well received event and lots of people were out to watch and participate.

Storytime at Mundare Municipal Public Library

"The Story of Little Quack" was read to the preschoolers on October 9th. After our peanut/nut free snack and craft, our special guest Nora arrived.

The children were so excited to pet and chase the duck around. Jodi Conley, a Library Board Member, has had the duck since it was a duckling. Nora has imprinted on Jodi and follows her around, all over town.

Halloween at the Cold Lake North Branch

The boys, who come to storytime and love to borrow space books, are dressed as Mars and Jupiter. Their mom made their costumes from papier-mache. You can see their red spot and the volcano on the planets. The unicorn is a librarian.

2019 Winter Reading Program
January 1 to February 28

Sponsored by:

2019 Winter Reading Program

The Winter Reading Program runs from January 1st – February 28th. Please visit your local library for details.

The Winter Reading Program is generous sponsored by Enbridge.

There is a minimum amount of reading time for participants to reach in order to be entered to win prizes. This minimum amount is different for the different participant age-groups: three hours per entry for children under 9, five hours per entry for children between 10 and 13, and seven hours per entry for adults and seniors. The Grand Prizes are 6 Acer Iconia One 10 tablets.
