

TOWN OF MILLET

Millet

Proud to be

2016-2018

STRATEGIC PLAN

Vision Statement

The Town of Millet is “Proud to Be...” working together to sustain and providing enhanced quality of life for our Community.

Mission Statement

The Town of Millet strives to serve its residents through leadership of a united, sustainable, vibrant Community in an efficient, professional and fiscally responsible manner.

Values

Honesty – integrity and ethical behavior

Accountability – responsible for our actions; open and transparent communication with the public; responsive and timely

Service – the best possible skills, knowledge and attitudes applied to planning and delivering quality programs and services for residents and employees

Collaboration – build internal and external relationships for the betterment of our community and the Town; value the contribution of others

Safe and Healthy Community - Our community is safe, prosperous, welcoming, culturally diverse and a desirable place to live or visit.

Through these key values, the Town of Millet is “PROUD TO BE.....”

Core Goals

1. The Town of Millet will ensure the needs of its residents are achieved through ongoing planning and maintenance of our municipal infrastructure and equipment.

Strategies:

- Maintain a multi-year capital infrastructure plan and capital equipment replacement policy.
 - Develop and maintain best practices for operational maintenance.
 - Create a storm water master plan.
 - Assess options to build and enhance infrastructure capacities.
-

2. The Town of Millet will focus on services while promoting a safe, healthy community and work environment.

Strategies:

- Continual review, monitoring, and enforcement of municipal bylaws and policies
 - Establish levels of Service through best practices
 - Provide opportunities for staff training and advancement to empower employees
 - Adopt a Municipal Safety Program
 - Environmentally Friendly and safe in all municipal programs
 - Collaborate with RCMP and other Protective Service agencies
-

3. The Town of Millet will support and implement strategies for Economic and Business Development.

Strategies:

- Continued participation in Economic Development partnerships
 - Prepare a Community Investment Plan
 - Complete an Intermunicipal development plan with the County of Wetaskiwin.
-

4. The Town of Millet will promote itself as a recreational, commercial and cultural destination.

Strategies:

- Ongoing participation in Alberta Tourism, Visitor Information Center
 - Facilitate a central depository for events in Town including leadership of Town Square Committee.
 - Promote and encourage beautification of the Town including continued support for Millet in Bloom.
 - Provide innovative and cost effective recreational and cultural programs
 - Create a recreation / cultural master plan
 - Explore regional opportunities for programs and funding
 - Focus on Brand “Proud to Be....”
-
