

Sunnybrook Solid Waste Transfer Station Access Cards

USER INFORMATION

Cards may be purchased from Leduc County by Village administration only. Identification and verification of order by purchase order will be required. Public cannot purchase cards from Leduc County.

The card entitles the bearer to one access to the services offered at the Leduc County Sunnybrook Solid Waste Transfer Station only.

The card must be collected by the attendant prior to allowing access to services at the site during site operating hours: currently set as Wednesdays, Thursdays and Saturdays 9 a.m. to 5 p.m.

The suitability and quantity of material shall be controlled at the discretion of the site attendant and is expected to meet with the following criteria:

- Load sizes are not to exceed a typical 8 foot (2.4 m) pickup box filled to no greater than a depth of 3 feet (0.9 m). Approximate total volume of up to 3.5 cubic yards (2.7 m³) only will be allowed per facility access.
- Vehicles exceeding three tons will not be granted access. Pickup trucks, cars, vans and utility sized trailers will be granted access.
- Residential Waste Only. Commercial Waste is not allowed as the intent of County transfer stations is to service the residential sector.

Materials **accepted** at the Leduc County Sunnybrook Solid Waste Transfer Station:

- household waste
- household hazardous materials - used oil and filters, antifreeze, paint and oil containers, domestic cleaners, domestic pesticides etc.
- Batteries - car, rechargeable and non-rechargeable, cell phone batteries etc.
- White metals - appliances, intact refrigerators, freezer and enamel coated products etc.
- Other metals - scrap metal, rebar etc.
