

## **ATTENTION PARENTS/PLAYERS**

### **U11 BASEBALL PROVINCIALS**

#### **St. Paul Storm**

With winter coming to an end, baseball season is quickly approaching and discussions of provincial teams have already begun.

The dates for U11 Provincials 2019 season are 3 weekends in July, as follows:

July 6th & 7th 2019

July 13th & 14th 2019

July 19th - 21st 2019 (provincial championship)

\*locations are TBD as teams submit their rosters and hosting availability.

We are looking to start practices as early as the end of this month (potential date of first practice being Saturday, March 23rd) given schedules allow and there are enough players available. I would like any interested players (parents) to notify me via email, followed by Name of player, DOB of player and contact information, as soon as possible.

Thank you in advance,

Justin Blackburn
