Last year we had over **525 people** in attendance and raised **\$17,000** in three short hours and fun was had by all! **Over the past 5 Years we have been able to raise over \$80,000** that has been used in Our Community to help make it a place where we all want to **Live, Work and Play.**

We have 12 families that have volunteered their time and money into supplying and serving a variety of delicious, sample-sized foods. Food portions are created small enough so that you can enjoy many of the different dishes offered!

Come on out and support a great cause while enjoying delicious food, wonderful company & some good old fashion, summertime music.

**Side Note:** Guests are encouraged to bring their own tables and chairs. This will guarantee you a place to sit as a group, if you so choose. Please feel free to set up & decorate your table in any way you choose! Flowers, tablecloths, anything goes! Also, we will have a tent serving cold water and soft drinks.
