NOTICE TO RESIDENTS CONTRACTOR MAY BE ON YOUR PROPERTY

The Summer Village contractor - THS Septic and Civil Solutions – will be in Poplar Bay the week of July 3rd – 10th.

The contractor will enter your property to view your well location, your holding tank and related wastewater system components.

The purpose of the visit is to assist the contractor in preparing their materials list and construction plan.

On lot work associated with the installation of tanks, risers, connection of tanks to the wastewater line and insulation will begin following the on site visits.

The contractor will prepare a quote for the work on your property clearly showing the portion that the Summer Village will pay and the portion that is the responsibility of the property owner.

The contractor will also discuss the schedule for work on your property with you before any excavation is undertaken.

If you have any questions regarding this process, please contact the Summer Village Office 780-586-2494 or by e-mail at information@svofficepl.com.
