Re: Summer Village of Ma-Me-O Beach WIFI (Hot Spot on the Beach)

The Summer Village of Ma-Me-O Beach will be terminating the Ma-Me-O WIFI service – Hot Spot on the Beach effective October 1, 2019.

The Summer Village of Ma-Me-O Beach Council in consultation with Administration and the External Contractor providing support, has decided the WIFI system is no longer viable and will be shut down permanently on October 1, 2019.

Reason for this decision are based on increasing hardware issues, on-going issues with nature interfering with signals and costs to maintain the program, software and hardware.

Residents and visitors are thanked for their support for the past 10 years.

Please feel free to call the Summer Village Administration Office if you have any questions.

Sincerely,

The Summer Village of Ma-Me-O Beach
