Al-Anon meeting

Our personal situations may be different, but we share as equals because of what we have in common: our lives have been affected by another person's drinking. Al-Anon is a mutual support group.

We can find understanding and support when we share our common experience with each other. Some of us are here because a spouse or partner has struggled with alcoholism. For others, the problem drinker is a

parent, child, or grandchild. Sometimes a brother, a sister, or some other friend or relative brings us to Al-Anon. Many of us have had more than one alcoholic family member or friend. Starting July 13 at 2:00pm at Chesterton House (old Hospital) located at 165016- Polomark Drive. Please use west side doors as the other doors are locked and a private residence.

Unsightly Notice Procedures

If a property is determined to be unsightly, a notice is sent to the landowner
 -the notice will explain the what needs to be done and the date by which the work must be completed
 After the due date, an inspection is carried out.
 If the work is not completed, a contractor is hired to do the work.
 -the owner is charged all the contractor costs plus an administration fee of \$75
 -if the invoice is not paid, the amount is added to the taxes
 If you have any questions regarding a unsightly notice, please contact the Town office.

MUNDARE SCHOOL

Time to get ready for school!!

Summer holidays are quickly wrapping up and I hope that everyone has been enjoying their break and taking advantage of the great outdoors that surround us. This last little bit of summertime is a great time to get back into school routines. These routines include reading each night, adhering to a set bedtime, mealtime— all on a regular basis. This will make the transition back to school in early September a little easier. The same is true with technology and the habits that go along with these great tools. Small steps each day will lead to overall success.

A reminder about our new EIPS technology pol-

icy and student phones in school. We will be sharing more information on this new policy as it becomes available. As well, the portables are being moved from Mundare School, so you may notice a little more activity around the facility.

We are really looking forward to seeing everyone on the first day of school, right after the long weekend. It's like a family reunion! I am personally looking forward to seeing how much the students have all grown over the break. Time to start thinking about setting some short term and long term goals!!

It's going to be a great year!!
