NEW OPPORTUNITY---Outdoor Market

Regular Bazaar vendors must be Ukrainian-themed retailers or educational exhibitors (like museums).

However, there is an unmet need for farmer's market/ trade show type vendors selling baking, garden veggies or products like jewelry, handcrafts, Epicure, Watkins, etc.

This new category of vendors supplements our primary focus that remains clearly Ukrainian. **Vendors falling into the new category will be OUTSIDE and need to provide their own tent, tables, chair.**

Outdoor vendor spaces (10' multiples) will be clearly marked and adjacent to the outdoor attractions: Music Jam, outdoor beer garden, and food trucks.

Anyone considering selling baked goods or prepared foods must contact the Health Inspector Brian Levine (780)-895-5821 or brian.levine2@albertahealthservices.ca unless you already have the appropriate paperwork in place.

Please PRINT LEGIBLY or TYPE! If we can't read it, we can't respond to you.

Babas & Borshch will give preference to **Ukrainian-themed** vendors and exhibitors. Decisions regarding acceptance or rejection of applications are final. Payment in full must accompany applications to be considered. Refunds will be issued to those whose applications are not accepted.

Make cheques payable to **Babas & Borshch Ukrainian Festival** and mail it and the application to Box 508, Andrew, AB T0B 0C0 **Scanned applications and e-transfers are also acceptable.**

ONLY business names will appear in our souvenir program and/or website.
