By subscribing to the website, you will receive notifications when Council Minutes, bylaws, newsletters and other items are posted on the website. Please go to the web site at www.goldendays.ca to subscribe.

Survey Stakes

Residents may have noticed survey stakes at various locations throughout the Summer Village. Please DO NOT pull them out! Council has retained a surveyor to survey various locations to assist with planning items.

Dead / Dangerous Trees

Residents are asked to take down dead / dangerous trees from their private property to avoid having them fall on power lines or adjacent structures. If you see dangerous trees in the Summer Village, call the office at 780-586-2494.

Bylaw Enforcement Officer

As many of you are aware, the Summer Village of Golden Days has a bylaw enforcement officer. Her name is Doris McAllister and she may be contacted directly at 780-719-6447.

Environmental Reserves

It has been brought to our attention that residents are using quads and other machinery on the Environmental Reserves. Please be advised that this is not the purpose of the Environmental Reserves, and some of the reserve areas are quite ecologically sensitive. Your cooperation is appreciated.

Development Permits

If you are building, renovating, demolishing, moving buildings, or removing trees, a development permit is required. Development Permits are approving the development only, ensuring that the development complies with the Land Use Bylaws. You may apply for a development permit at the Summer Villages Office or on our web site. Additionally, permits are required for building, demolition, electrical, plumbing and gas. These permits must be obtained from Superior Safety Codes Inc. @ 1-888-358-5545 or @ 403-358-5545 once your Development Permit has been approved. For inquiries information please contact the Development Officer at 780-586-2494. Please ensure all your development including fencing and landscaping is within your lot boundary. For further information and to view the Land Use Bylaw please go to our web site at www.goldendays.ca.

Please Note: Placards are issued with the development Permit and must be in full view at the work site at all times while the work is in progress. Failure to follow the process of having the required Permits could result in a Stop Order being issued by the Development Officer.

Insurance for Fire, Flood and Storm Damage

CHECK YOUR INSURANCE POLICY! Residents are reminded that the annual fee the Village pays for fire protection only supports the maintenance of the fire department. If the volunteer fire department is called out to fight your fire, you will be billed for their services. Also check your insurance for flood and storm damage because the Summer Village is not responsible for these events.

Golden Days Council wishes you a safe and enjoyable winter!
