PUBLIC NOTICE

Effective immediately, the Town of Elk Point facilities will be closed to the general public due to the COVID-19 pandemic. This includes the Town Administration Office and Public Works Department. The closure will remain in place until further notice.

Services including road maintenance, water, wastewater and waste management will operate as normal.

We encourage the public to use on-line payments at this time. If you are unable to do so, payments can be made at the bank, mailed to us or placed in the drop slot at the Administration Office. Should you require information, we ask that you make your request by telephone or email.

The health of our staff and citizens are of the utmost importance. The Town will continue to assess the situation and will follow direction from Alberta Health.

For health related information in regards to COVID-19, please visit www.alberta.ca.
