

EMPLOYMENT OPPORTUNITY

SEASONAL EMPLOYMENT OPPORTUNITIES

- Parks and Recreation Laborers
- Public Works Laborers
- Golf Course Laborers
- Golf Pro Shop Attendants
- Tourism Centre Attendants
- Legislative Services Clerk

The Town is seeking seasonal staff for terms that will run from May until the end of August. Exact start and end dates are flexible, with potential September and October shifts for Golf Course staff.

- Required Qualifications:**
- Valid Class 5 Drivers License with an acceptable driver's abstract (for laborer positions)
 - Excellent communication and customer service skills
 - Applicants with First Aid, CPR & A.E.D. certificates preferred

Applicants are asked to please indicate the position(s) they are applying for on their cover letter. Please send a cover letter, resume with two references, criminal record check and driver's abstract to:

Lori Werenka
Human Resources aCoordinator
Phone: (780) 645-1767
Email: humanresources@town.stpaul.ab.ca

Applications will be accepted until March 27, 2020 @ 4:30pm MST.

The Town of St. Paul thanks all applicants for their interest. Only those selected applicants will be contacted for further information and follow-up.

PLANNING & DEVELOPMENT

Land Use Bylaw Tips:

Did you know.... if you make changes to the layout of your lot or driveway, you will need to first consult with Public Works and the Planning & Development Department. Under Section 7.23: Parking and Loading Provisions of the

Land Use Bylaw, all single family homes are required to have at least 2 stalls per dwelling unit. Where a development contains more than one use, the required number of parking spaces shall be the sum of the requirements for each of the uses listed.

For example, a major home occupation and single family dwelling on the same site, will require 3 stalls. Beware that the Land Use Bylaw also states the minimum parking stall dimensions. Street parking is not included in this calculation as it is for public use. These regulations would have been examined at the time your home was built and are still in effect as the year's progress.

The distance between the sidewalk and parking stalls shall be designed so that parked vehicles do not encroach onto or block any part of the sidewalk.

You may email a proposed plan (drawing) to pd@town.stpaul.ab.ca at least 10 business days prior to construction to be reviewed by the Town of St. Paul. It is important to plan ahead as the Town cannot always accommodate late requests due to various ongoing construction projects.

Please contact Planning & Development at 780-645-4481 for more information.

PARKS & RECREATION
