

2020 non-residential education property tax

The Government of Alberta is doing everything it can to support businesses through the COVID-19 pandemic. On March 23, 2020, the government announced property tax changes to assist businesses and keep the economy running.

The government is working with municipalities to defer property taxes to help your business remain solvent.

Your municipality has chosen to provide a combined municipal and education property tax deferral that is effectively equivalent to a six-month education property tax deferral.

If you are able to pay your property taxes now, we encourage you to do so. Property owners are strongly encouraged to immediately pass on the benefits of any tax deferrals to their business tenants.

While deferred taxes are still due in 2020, we are also encouraging municipalities to implement flexible payment plans for non-residential property owners unable to pay fully in 2020.

For further information about your municipality's specific approach, please contact your municipal administration using the contact information provided on the tax notice.
