

Summer Village of **MA-ME-O BEACH** Municipal Development Plan Project Newsletter | May 2020

MDP PROJECT UPDATE

In the summer of 2018, the Summer Village Council engaged Municipal Planning Services (MPS) to assist with the preparation of a **Municipal Development Plan (MDP)**. Throughout 2019, Council and MPS have been preparing a draft **MDP**. In July 2019, a **Newsletter** was circulated to residents to provide information about the project and opportunities to get involved. The purpose of this **Newsletter** is to provide residents with an update on the project and the feedback received.

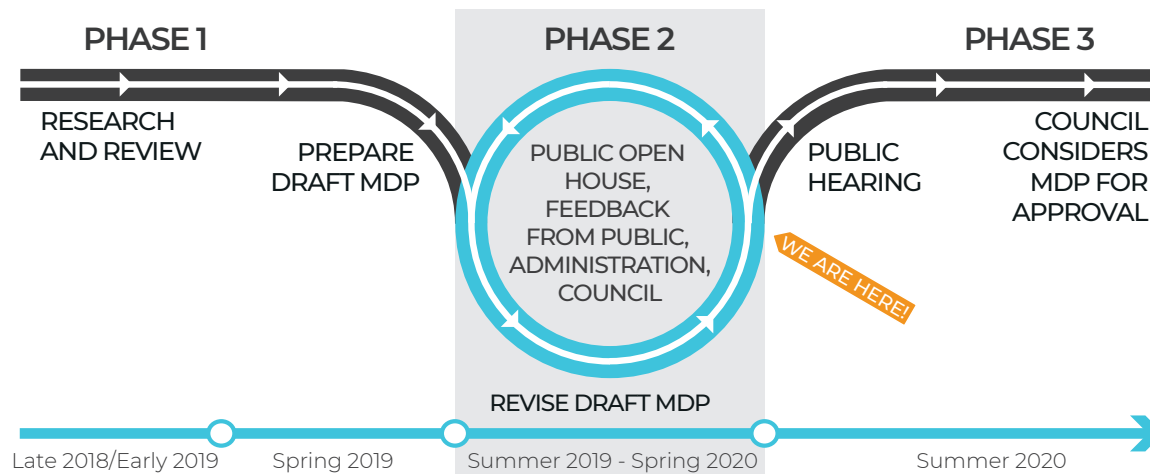

MPS has prepared a **What We Heard Report (WWHR)** based on resident and stakeholder input for the draft **MDP**. Ideas and comments were gathered from residents and stakeholders at the Public Open House held August 10, 2019, from the online survey, and through email correspondence. The **WWHR** summarizes the feedback and outlines responses and recommendations based on the feedback. The **WWHR** can be found on the Summer Village website:

www.mameobeach.ca

During the next phase of the project, MPS will be revising the draft **MDP** based on the feedback received. Any additional feedback residents would like to provide for consideration must be provided to MPS **by May 31st, 2020**.

Following the revisions, the **MDP** will be presented to Council for consideration of first reading. Thereafter, a **public hearing will be held**. The date and time for the public hearing will be provided when the date has been confirmed.

MDP PROJECT TIMELINE

***Please Note:** The dates in the Project Timeline are tentative and may be revised in response to the current COVID-19 public health emergency. To ensure the well-being of the community, meetings will be conducted in a manner consistent with all federal and provincial requirements. Project information and meetings may be conducted electronically and may involve the utilization of virtual meetings including: video conferencing, teleconferencing and/or webinars.
